National Youth Sports Coaches Association

Truro Recreation is proud to announce that each Truro Recreation Head Coach will be provided membership into the National Youth Sports Coaches Association and asked to complete the online training process. The following is an overview of the NYSCA by the National Alliance for Youth Sports. Truro Rec. is the local chapter for NAYS.

Volunteer coaches are the backbone of youth sports in America. Without the thousands of parents signing up to coach youth sports every season, the youth sports world would come to a screeching halt!

The question is who are these volunteers? Are they an ex-high school or college athlete trying to re-live their sports experiences? Are they a parent of a reluctant child trying to give their child the same great experience that they had as a child? Or are they the mother or father of a child who was told, "If you don't volunteer, we don't have enough coaches!"

The truth is that all of these scenarios are pretty likely in the average volunteer-based youth sports league. That's why in 1981 NAYS developed the National Youth Sports Coaches Association - to help educate those volunteers to become the best youth sport coaches that they can be. The National Youth Sports Coaches Association (NYSCA) is a membership organization and the most widely used volunteer coach training program in the nation, having trained more than 2.5 million coaches since its inception in 1981. More than 3,000 community-based agencies and organizations have offered this opportunity.

The NYSCA volunteer coach training program is designed to sensitize volunteer coaches to their responsibilities and hold them accountable to a strict Code of Conduct defined by the NYSCA Coaches' [Code of Ethics Pledge](#).

"Very helpful on the knowledge & fundamentals of coaching."
