Logo designs should capture the spirit of our mission to preserve Truro history. Contestants are not subject to any geographical restrictions. Winning designs become the property of the THS.

The winning designs will be announced in the April 2014 issue of the *Town of Truro eNewsletter*. A celebration of our new logo will be held on opening day of the season at the Highland House Museum with T-shirts, caps, and other items featuring the new Truro Historical Society logo.
