The TEEA

Who are we?

We are a group of parents and community members who love Truro Central School and its children.

What is our mission?

To provide enrichment programs to the students of TCS and help teachers with funding for their classrooms. We also provide assistance in any area we feel will have a positive, enriching effect on the students, faculty and the community we share.

How can you become involved?

The T.E.E.A. meets the 2nd Tuesday of every month at 7pm in the Media Center. We realize that families work hard and time is precious; we work hard to limit our meetings to one hour. As a group, we enjoy planning events, strategizing ways to raise funds and have fun doing it!
