SEASONAL FLU CLINICS SCHEDULED

The Truro Board of Health wants to reassure you that, despite funding cutbacks in the state Immunization Program, we will continue to provide flu vaccine for this upcoming season. We will again be holding our regular flu clinics on:

THURSDAY SEPTEMBER 15, 2011 FROM 3PM TO 5PM
&
SATURDAY, OCTOBER 22, 2011 FROM 10AM TO 12PM
AT THE TRURO COMMUNITY CENTER

Because the Truro Board of Health has received a reduced number of vaccine this year from the state, additional flu vaccine was purchased. We were able to purchase this year's flu vaccine with insurance reimbursements for flu vaccine given to residents last year...and we plan to do the same again this year. We will also be providing flu vaccine for Town residents and employees as as those residents who are uninsured and under-insured.

So please *re-invest in your community!* Get your flu shot from your local Health Department. Keep the funds for flu vaccine in your town so that we can continue to offer this program.

PLEASE BRING A PHOTO ID AND INSURANCE CARDS

For more information about the scheduled Flu Clinics contact the Truro Health Department, 508-349-7004 x 32 or healthagent@truro-ma.gov . Vaccine information and consent forms are available on the Town's website, Truro Council on Aging or Truro Health Department.

We look forward to seeing you at one of our clinics!
