This month, we give thanks for family, friends and fun!

Annual Thanksgiving Feast

Students, staff, Truro employees, and COA members enjoyed a scrumptious feast of turkey and all the fixings. The meal was prepared by Warren Falkenburg and Susie Roderick. Delectable sweets were baked and whipped up by TCS parents and families. The Sixth Graders pleasantly hosted community members by acting as servers. Thanks to all for a wonderful meal!

...and then we danced!

Following the Feast, Ms. Abt, our melodious Music Teacher, led an all-school dance. Featured dances included a Wampanoag Stomp Dance; a Russian folk dance called "Sasha;" "La Raspa," a folk dance from Mexico; the Virginia Reel; and "Sashay the Donut," a French-Canadian reel.
