

## Affordable Housing Plan Forum

The **Town of Truro Housing Authority** will hold a  
Public Forum on  
**Thursday, October 11 at 6 pm at Truro Town Hall.**

The Forum is an opportunity to **learn** about and **discuss**  
the recently updated **Truro Housing Plan** with members  
of the Truro Housing Authority.

**The Plan** provides an analysis of demographic data from the US  
Census, a housing needs assessment for Truro, ***existing***  
***challenges for affordable housing*** and a *wide range of actions*  
which might be implemented to ***expand the number of***  
***affordable dwellings in Truro.***

Copies of the Plan are available on line at the Town's  
Website.
