

# Truro Police Department

Winter is certainly upon us. I hope you all are staying warm and safe as the weather beats us up a bit on the Outer Cape. We have a couple of highlights for you and an invitation.

## **New Officers:**

We are delighted to report that Officers Steven Raneo and Greg Hobbs both successfully graduated from the Police Academy and completed their eight-week Field Training Program. Officer Hobbs also serves our Country in the Reserves and recently returned safely from Afghanistan. Officer Raneo served for more than ten years as an Officer with the Yarmouth Department of Natural Resources. Both bring enthusiasm, energy, and professionalism to the Police Department.

## **Public Budget Forum:**

The Department is pleased to invite the residents of Truro to our first public Budget Forum: Saturday, February 9<sup>th</sup>, at 9:00 A.M., here at the Police Station. This is a great opportunity for members of the public to come to the station and speak with me directly about our budget processes. The agenda, which is posted on the Truro Police Web-Site ([www.truropolice.org](http://www.truropolice.org)) will include discussions on Staffing, the FY13 and FY14 budget requests (in detail,) our Capital Improvement Plan, and the Public Safety Building Lightning Protection Article for this upcoming Town Meeting.

Just as importantly, it gives you the opportunity to let me know what your ideas and concerns are relating to our budget and Department as a whole. Finally, if folks are interested, we would love to host a tour of the station after the presentation.

If you're interested in the Forum, please let us know if you are coming to ensure we have enough seats – and coffee! The number is 508-487-8730. I look forward to seeing you on the 9<sup>th</sup>.

As always, please feel free to reach out at any time. I'm interested in your thoughts.

Very Respectfully,

Kyle Takakjian
