Welcome Winter! An arctic blast has hit Truro, but the cold temperatures haven't slowed us down!

¡ DÉJALE NEVAR ! *(Let It Snow!)*

The sounds of the 2014 TCS Winter Concert recently warmed our hearts. Each of the classes from grades K-6 performed melodies under the direction of music teacher, Mary Abt.

Interspersed throughout the grade-level selections were performances by the TCS Strings, Saxophone and Chorus.

Members of the Sixth Grade class kept the show moving along as the MCs.

Several selections paid patriotic tribute to our nation as well as some of our national heroes.

The show also included pieces composed by students-- "Composition on B-A-G" by our saxophonists and "We Will Recycle" by the Sixth Grade.
