PICKLE BALL RETURNS TO TRURO!

Pickleball is a sport in which two or four players use solid paddles made of wood or composite materials to hit a perforated polymer ball, similar to a [wiffle ball](#), over a net. The sport shares features of other racquet sports, the dimensions and layout of a Badminton court, and a net and rules similar to tennis, with a few modifications. Pickleball was invented in the mid 1960s as a children's backyard pastime but quickly became popular among adults as a fun game for players of all skill levels.

Sports Parent Pledge

Dear Parents:

We're excited to share with you an opportunity to take part in a new initiative offered by the National Alliance for Youth Sports. Their new Sports Parent Pledge will give lots of resources and advice to help make this season fun for your child, and the whole family!

It's completely free to participate. All you have to do is go to www.nays.org/sportsparentpledge to sign up. Each week, for six weeks, you'll get an email focusing on topics sports parents often face (like working with coaches, health and safety resources, etc.). Even though the pledge emails will only last for six weeks, they're full of information you can use for as long as your family is a part of our program, and beyond!

We encourage you to check out www.nays.org/sportsparentpledge today and become a part of the Sports Parent Pledge movement! Make sure to tell them that Truro Recreation sent you!
