

SPECIAL TOWN MEETING

Thursday, November 5th

6 PM

Truro Central School

WE CAN...

- *Save the Town \$1.8 million over 20 years*
- *Offer renewable savings to Residents*
- *Put the Capped Landfill to good USE!*

VOTE...

YES on Articles **1-2-3.**

Lease half of the Truro Landfill to a developer partner who will provide all the capital for 3000 Solar Panels. Half the solar output will be used for town buildings, and reduce our electricity costs. The other half will be available to Residents.

**Vote YES 1-2-3
to save Truro \$1,800,000**

Thank you for your support!
