

P.O. Box 808 / Truro, Massachusetts / 02666-0808

July, 2015

The Truro Police K-9 Association, Inc. is hosting the 1ST Annual “Ella” Golf Tournament Fundraiser to be held on October 2, 2015 at the Chequesset Yacht and Country Club.

The Truro Police K-9 Association is a program whose mission is to provide financial support to assemble and assist in sustaining a K-9 unit within the Truro Police Department for Narcotics Detection and/or locating lost or missing persons. The objective is to support not only the Town of Truro but to assist other communities and their agencies. The Truro K-9 Association is incorporated as a 501(3)(c) and is funded by donations from local businesses and community members. All contributions to the Truro Police K-9 Association, Inc. are **fully tax-deductible**.

There are several sponsorship levels available. We are accepting both direct sponsorship and “in-kind” sponsorship in the way of products and services donated for tournament prizes, auction items, raffle prizes, etc. In addition to your support of the K-9 program, you will gain valuable exposure for your organization at the tournament to a group of people who are very loyal to its sponsors, as well as many area professionals who will be participating in the Golf Tournament itself.

Please consider becoming part of this special event. The attached forms include several different levels for sponsorship.

We would be grateful if you would support our charity golf tournament this year.
Thank you!
