Hot Tuna Acoustic
Saturday, October 13, 7:30pm
At Payomet Performing Arts Center

29 Old Dewline Road, N. Truro

We'll have no problem heating up the tent when Hot Tuna arrives to celebrate OysterFest at Payomet Performing Arts Center in North Truro on Saturday, October 13 at 7:30pm.

Original members of the Jefferson Airplane, one of the seminal bands of the 1960's San Francisco Rock scene, Jorma Kaukonen (guitar, vocals) and Jack Casady (bass) started Hot Tuna in 1969 as a fun side project where they could play the old Gospel and blues music that they loved. Nearly fifty years later, they're still going strong. And watching them play, it's clear that even after more than FIFTY years sharing the stage, there is nothing in this world that Jorma and Jack would rather be doing than playing music together.
