

Property Tax Funds

Property Tax Funds are available to Truro Homeowners who are elderly or disabled and who meet certain income requirements. The applications for assistance on our most recent tax bills are available now at Town Hall, the Library, and at the COA. Applications are due by December 27th, 2019. For help with filling out the form, go to the COA or contact the Truro Town Treasurer. All applications are held in confidence.

The applicant must meet certain guidelines:

- Applicant must own and occupy the real estate in Truro as his or her primary domicile.
- An applicant must be the titled owner of the property or hold a life estate in the property. If title is held by a trust, the applicant must be both a trustee and at least a 50% beneficiary of the trust in order to qualify.
- Applicant also must have resided in the Town and held title to the taxed property a full calendar year prior to submission deadline.
- Applicant must be elderly or disabled.

“Elderly” is defined as a person who is at least 65 years of age on or before July 1, 2019 for which aid is being requested. “Disabled” is defined as a person who is not able to work due to illness or accident and is currently receiving benefits from one or more of the following programs based on a determination of disability: Social Security Administration, SSI or Medicaid, Veterans Administration, Workers Compensation, or any other such program or agency providing public/financial assistance due to the disability.
