UPCOMING EVENTS

Ceramic Residents' Exhibition

MARCH 19

4pm – 7pm

Juliet Ehrlich and Rachel Stevens

These two sculptors have been working in the Castle Hill studio since January. Come see what they have created and celebrate their hard work!

SCULPTURE CALL FOR THE 400TH ANNIVERSARY OF THE PILGRIM LANDING

The Exhibition:

In recognition of the 400th anniversary of the landing of the *Mayflower*, many Cape Cod communities will be sponsoring special programs throughout 2020 that address this landmark historic event. Several Truro organizations will mark this event throughout the coming year.

Truro Center for the Arts at Castle Hill and the Highland House Museum are collaborating on an exhibition of public artworks that will embody the spirit of the event. These works will be installed at Truro Center for the Arts at Castle Hill, Edgewood Farms, the Highland House Museum, and the Cobb Archive throughout the summer.

The Artwork:

We are seeking three-dimensional artwork that can be installed outdoors. Work may be made of wood, metal, and other materials that will withstand the elements for several months. We're looking for sculptural pieces that express a response to this historic time and its aftermath. Work does not need to reference specific historic details.

When and What to Submit:

Submit images of your work by April 15, 2020.
